Household Hazardous Waste (HHW) Drop Off Event

When disposed of in the trash or poured down a sink or storm drain, the toxic chemical components in products like paint, turpentine, acid or lye-based cleaners, household and car batteries, pesticides, and herbicides will damage the environment by ending up in Clear Lake or other waterways endangering the health of all - children, wildlife, pets, and the environment.

Household hazardous waste is collected from Lake County residents the third Friday and Saturday of each month from 9:00 a.m. to 1:00 p.m. at rotating ends of the lake for convenience to all residents in Lake County.

Most items are accepted free. Businesses must make an appointment and a small fee will apply.

- State law prohibits delivery of more than 15 gallons per vehicle.
- Propane tanks (any compressed gas cylinders), 5 gallon size maximum.
- Be prepared to show identification as a Lake County resident

ITEMS ACCEPTED: Non-latex or water based paints, solvents, gasoline, pesticides, herbicides, pool chemicals, household and car batteries, acids, corrosives, antifreeze, oil, oil filters, toxic

cleaners, fluorescent light tubes (and CFLs - 60 ft maximum), bleaches and dyes, photography chemicals, artist supplies, propane tanks (any compressed gas cylinders 5 gallons and smaller - fee charged), prescription medicines, mercury thermometers, printer cartridges, cell phones, and hearing aids.

NOT ACCEPTED: Copy machines, large in-line printers, explosives, ammunition, and compressed gas cylinders larger than 5 gallons, medical waste, ammunition, and radioactive materials. Televisions and computer monitors are accepted at no charge at Lake County Waste Solutions in Lakeport and Southlake Refuse & Recycling at the Eastlake Landfill.
