

CUSTOMER SERVICE ITEMS

We recently purchased new collection vehicles and, with the new safety technology, the automated arm requires free space around the cart in order to grab it. Please be sure that your carts are placed 3 feet apart. If you have any questions or need greater clarification, please call our office at 707-994-8613.

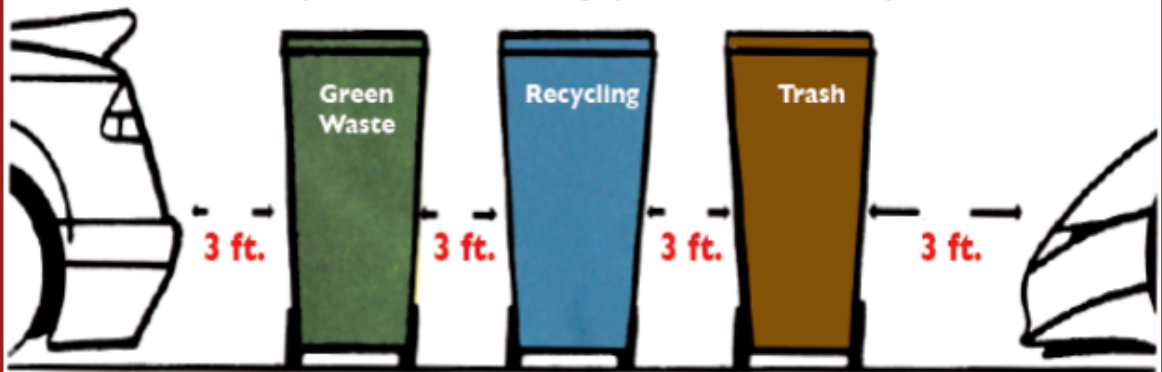

Please leave 3 FEET between carts and vehicles.

** Make sure handles and wheels face the curb.*

Por favor, deje un espacio de 1 metro entre tambos y vehiculos.

** Coloque los tambos con maija y ruedas hacia la banqueta.*

Please Make Sure Cart Lids Fully Close

Over-full carts will be charged as an extra. If you need to increase the size of your cart please notify our office, or call if you are going to have extra and place along-side the cart. We prefer not to pick up over-full carts as lifting this into the hopper is likely to cause littering on the street or roadside.

Make sure lid is fully closed.

We need to update your contact information!

Many of our customers have outdated contact information. More and more customers are removing landlines and replacing them with cell phones. In order to receive service ROBO call reminders about holiday schedules and HHW events, we need your best contact phone number. We would also like to have your email address on file. Please take a moment to call our office and update your account contact information. M-F 8am to 4:30pm **707-994-8613**.
